The 10th International Conference on Sustainable Energy Information Technology (SEIT-2020) aims to bring together academia, industry, research scholars, business entrepreneurs, practitioners, managers, and policy makers responsible in delivering advanced sustainable energy solutions for competitive advantage and cost savings in modern industrial and business sectors. The conference will act as a platform for the dissemination of current technologies in intelligent sustainable energy, as well as act as a forum for the strategic next steps in smart grid adaptation. The SEIT program will include guest speakers, peer reviewed technical program, demos, short papers, posters and invited sessions on the same or related topics, industrial presentations, and exhibitions around but not limited to the following topics:

- *Advanced Techniques for Energy Applications*
- *Energy Efficiency*
- *Energy Policy*
- *Environmental*
- *Green Sustainability*

- *Power Quality, Power Electronics and Electric Machines*
- *Power Systems*
- *Renewable Energies*
- *Sensing & Monitoring*
- *Smart Systems*

Submission of Papers

Original, unpublished papers are solicited for presentation at the conference. Prospective authors are invited to submit papers (electronically, PDF Word format only) with no longer than 8 pages for full papers including all figures and references, and must be formatted according to the conference guidelines that can be found at:
http://cs-conferences.acadiau.ca/seit-20/#paperSubmissions

Submitted papers will follow peer-review procedures, and accepted papers will be scheduled for oral presentations.

At least one author of each accepted paper is required to register and attend the conference to present the work.

Venue

SEIT 2020 will be held in the city of Leuven. Leuven is the capital of the province of Flemish Brabant in Belgium. It is located about 25 kilometers (16 miles) east of Brussels. It is the 10th largest municipality in Belgium and the fourth in Flanders. Leuven is home to the Katholieke Universiteit Leuven, the largest and oldest university of the Low Countries and the oldest Catholic university still in existence. The related university hospital of UZ Leuven, is one of the largest hospitals of Europe. The city is also known for being the headquarters of Anheuser-Busch InBev, the world's largest brewer and one of the five largest consumer-goods companies in the world.
